Color	Aroma	Taste	Matured	Alcohol	Size
amber	noble wood	full-bodied	23—26 years	40%	0,7 l

This cognac has an amber color with copper reflections and a bright gloss. Extremely old, matured for about 23-36 years. A complex bouquet with aromas of noble wood, spices, almond, cinnamon, chocolate and cigars. The taste is full-bodied and well-balanced. An intense pleasure.
